Innovators Invited

This event is an opportunity for innovators to pitch their ideas to potential sponsors or adopters of their ideas. Each innovator will be given four minutes to present their idea and how it can help solve the problems of ASEAN Member States in humanitarian logistics. The ASEAN Member States and representatives from the private sector and investors will serve as judge of the competition.

Individuals, teams, humanitarian organisations, local organisations, companies, students and professionals may submit their Humanitarian Logistics Innovation Ideas.

ONE ASEAN
ONE RESPONSE

iPITCH

HELIX

Supported by

Japan-ASEAN Cooperation

INVESTORS WELCOME, TOO!

This session provides the opportunity for investors, venture capitalists, donors and other stakeholders to discover promising innovations.

WHAT MAKES IT INNOVATIVE?

- Fit-for-Purpose design
- Innovativeness
- Scalability
- Sustainability
- Pitch

PROBLEMS IN SUPPLY CHAIN AND APPLICATION IN HUMANITARIAN LOGISTICS

- Estimating & addressing needs
- Supply chain management
- Logistics preparedness
- Information Technology & Innovation Labs
- Logistics capacity building

OBJECTIVES

This session aims to promote innovation and innovative thinking in solving problems faced by ASEAN Member States in humanitarian logistics.

It also aims to bridge innovators with their target “customers” – be it government, the affected community, or the humanitarian community more broadly.

PARTNERS

ASEAN Member States

AHA Centre

With the support of the Government of Japan through the Japan-ASEAN Integration Fund

PRIZE

The competition winner for the most innovative idea will be announced during the HELIX Closing Ceremonies. The "Community Favourite Award" may also be given based on participants' online votes.

WHO CAN PARTICIPATE?

Individuals, teams, organisations, companies in ASEAN countries may submit their innovation ideas.

Participants may submit under three categories according to stages of innovation:

Conception/Ideation

Prototype/Validation

Scale up

Top ideas will be given a chance to present their ideas to ASEAN Member States and a panel of judges during the Forum. Each finalist will have four minutes to present their innovation and to answer questions from judges.
