INSTRUCTIONS TO BIDDERS

In submitting a tender, the bidder accepts in full and without restriction the special and general conditions governing this tender as the sole basis of this tendering procedure. The bidder accepts the AHA Centre General Terms and Conditions of Purchase by default or will include its own Sales conditions in its offer. If the bidder wishes to point out restrictions to the AHA Centre Terms and Conditions, such reservations should be clearly explained in a letter included in the offer.

Failure to submit a tender containing all the required information and documentation within the deadline specified will lead to the rejection of the tender.

1. Preamble

The AHA Centre is an intergovernmental organisation, established on 17 November 2011 by the ten ASEAN Member States with the aim to facilitate cooperation and coordination of disaster management amongst ASEAN Member States.

In 2020, the AHA Centre purchased 9 laptops dedicated for staffs funded by EU-SAHA. During the implementation, the Centre is growing for more staffs to be recruited. Therefore, currently there are 15 staffs funded under EU-SAHA to support the implementation of the project until October 2025. As stated in the project document and budget, the ICT equipment and tools are needed; laptops, relevant software and its accessories, to be used during the project implementation.

Based on AHA Centre’s ICT policy, the laptop’s lifespan is 3 years from the date of purchase. Therefore, the need to update the laptop with a new one is important for the smooth implementation of project activities.

2. Purpose of the Call for Tenders

The Purpose of this Call for Tender is to sign a contract for the PROVISION 15 LAPTOPS, LICENCES SOFTWARE AND ACCESORIES.

[Name and Signature of the Service Provider’s Authorised Person]  
[Designation]  
[Date]
Appendix 4: The AHA Centre’s Good Business Regulations

These Good Business Regulations are the ground for a professional working relationship between the AHA Centre and the Tenderer.

They are general regulations valid unless other particular conditions are mentioned in the contract. In case of conflicting terms within documents, the conditions of the contract or tender dossier will prevail on these Good Business Regulations.

I. Principles of the procurement procedures

The AHA Centre has transparent procedures to award markets. Essential principles are:

- **Transparency** in the procurement process
- **Proportionality** between the procedures followed for awarding contracts and the value of the markets
- **Equal treatment** of potential Service Providers

Usual criteria to select a Service Provider are:

- Authorisation to perform the market
- Financial and economic capacities
- Technical expertise
- Professional capacities

Usual criteria to award markets are:

- Automatic award (the cheapest offer complying with all requirements)
- Best value for money (price/quality ratio)

II. Misbehavior, ineligibility and exclusion

The AHA Centre considers the following misbehaviour as a valid ground for a systematic exclusion of an awarding market procedure and for the termination of all working relationship and contracts:

- **Fraud** defined as any intentional act or omission relating to:
  - The use or presentation of false, incorrect or incomplete statements or documents, which has as its effect the misappropriation or wrongful retention of the AHA Centre or institutional donors’ funds
  - Non-disclosure of information, with the same effect
  - The misapplication of such funds for purposes other than those for which they were originally granted
- **Active corruption**: to deliberately promise or give an advantage to an official for him/her to act or refrain from acting in accordance with his/her duty in a way which damages or is likely to damage the AHA Centre or institutional donors financial interests
- **Collusion**: the co-ordination of firm competitive behaviour, with the likely result that prices rise, output is restricted and the profits of the colluding companies are higher than they would otherwise be. Collusive behaviour does not always rely on the existence of explicit agreements between firms, but can also be tacit.
- **Coercive practice**: harming or threatening to harm, directly or indirectly, persons, or their property to influence their participation in a procurement process or affect the execution of a contract.
- **Bribery**: to offer the AHA Centre employees monetary or in-kind gifts in order to gain additional markets or to continue a contract
Involvement in a criminal organisation or any other illegal activity established by a judgement, by the US Government, the European Union, the United Nations or any other donor funding the AHA Centre.

Immoral Human Resources practices: exploitation of child labour and the non-respect of basic social rights and working conditions of employees or sub-Service Providers

The AHA Centre will exclude from a procurement procedure any candidate or tenderer falling into one of the following cases:
